

FibaTape[®] Veneer Plaster

Custom Plaster Finishing Drywall Tape

Designed specifically
for use with blue
plasterboard

For use on a variety of custom plaster finishes

FibiTape® Veneer plaster tape is a fiberglass mesh tape designed specifically for use with blue plasterboard. Veneer tape is wider than standard mesh tape and works with a variety of custom plaster finishes from ultra-smooth to custom textures.

- **Compatible** - Ideal for use with blue plasterboard
- **Wider width** - Provides increased gap coverage
- **Seamless joints** - Achieve a superior finish with a variety of textures
- **Increased strength** - Tough fiberglass mesh increases joint strength and structural integrity
- **Self-adhesive** - Easy application
- **Reduced dry time** - Embedding coat is not required
- **Smooth finish** - Eliminates blisters and bubbles commonly found with paper tape
